THEOLOGY WORKSHOP

Conduct an independent research study in your area of theology interest that would be beneficial to you. Part of the intent of the research is to gain knowledge, understanding, and experience. Spend a reasonable amount of time researching. Prepare a five to seven page report of your research.

Your pages should have:

1. A heading that identify the main topic.

2. An untitled introduction.
   (a) State the purpose of your research and
   (b) identify the main points that will follow

3. A pre-research commentary.
   (a) Describe the area of your research
   (b) Describe your expectation and assumptions before beginning the research study
   (c) What did you expect to receive from the research?

4. A description of notable highlights and learning outcome from your research.

5. Applications that the research will bring to your ministry.

6. A summary that highlights the result of your research.
